

Callander Youth Project

Callander Youth Project Trust aims to improve the quality of life of young people, aged 11-25, in Callander and the surrounding rural area by maximising their potential through access to the best possible recreation and educational facilities, support and resources.

They achieve this by:

- Delivering a wide range of activities for young people, including youth clubs & after-school study support.
- Training unemployed young people in hospitality skills; skills which are in demand in the rural community.
- Generating an income through their 5 star, recently refurbished 28 bed hostel.
