

Cockenzie House & Gardens

Cockenzie House & Gardens

Cockenzie House & Gardens is a charity set up to bring this 17th Century Jacobean gem into community ownership and create a sustainable 'hub' for the local community. In our third year of operation, we are uncovering the fascinating role this house and its inhabitants have taken in Scotland's history. We offer practical and elegant spaces for hire.

- 30 studios for artists, therapists and small businesses
- A variety of spaces for exhibitions and events: parties, workshops, weddings, theatre and concerts
- Two self-catering cottages
- Allotments
- Tea Room.
